Dear Randy:

Congratulations on becoming a scholarship recipient of the WV Promise Scholarship program! This prestigious program was approved by the Legislature in 1999 and is offered to West Virginia high school students who complete school with a 3.0 grade point average and a composite ACT score of at least 21. As a result of this achievement, you will receive a full tuition scholarship to a state college or university of your choice (or an equivalent dollar scholarship to an in-state private college).

While I know college can be difficult, I am sure that you will not only succeed, but excel, in your future studies. I am truly honored that you have been included into this prestigious program.

Wishing you the best in all of your academic and life endeavors. Keep up the good work!

Sincerely,

A handwritten signature in blue ink that reads "Richard J. Iaquinta".
